

# INTER ROW FINGER HERBICIDE

## Wuickly, light, is the future!

Our inter row finger herbicide is suitable for vineyard and orchard. Completely mechanical movement weeds without spoiling the barrel with a processing surface of the soil to make it soft and ventilate.

- 100% organic
- Light weight
- Fast
- Single or bi lateral
- No chemical weeding
- Worked sub-plant
- Various adjustments
- Front and/or rear
